Subject: Re: NFL Head Injury Litigation

Tina,

Can you or someone in the law office provide any more specifics on the proposed settlement. For example it would be helpful to see the grid system and how they are determining the payouts. Are the payouts, for those who can demonstrate neurological damages, distributed in one lump sum or is it distributed over time? Finally, is the medical assistance similar to what the NFL is doing with the Plan 88?

Thanks,

Lorraine Dixon
